Prayer with our sister Parish La Sagrada Familia

Almighty and ever-living God, who through your Son deigned that all of humanity be united with you, look upon our parish families of St. Charles Borromeo and La Sagrada Familia with love. Send Your Holy Spirit upon us, so that, as the principle of unity in your Church, He may keep the bond of unity between us ever anew. For, just as the Spirit's descent on the Day of Pentecost brought about unity amidst diversity of cultures, may He, who once sent the Apostles out to the world to build your Kingdom, be also the uniting force in the mission of building your kingdom here on earth. Through the intercession of St. Charles Borromeo, patron saint of our parish and our sister parish La Sagrada Familia, may we serve our brothers and sisters with humility and be faithful missionaries of unity and love. We ask this through Christ our Lord. Amen
